Re: Texas Public Information Act Request — Request 5 of a series. Third-party vendor contracts and procurement records for back-office services (accounting, CFO, payroll, PEIMS, IT, grants management, and audit) from July 1, 2023 forward.

Dear Public Information Officer:

Pursuant to the Texas Public Information Act, Texas Government Code Chapter 552, and as applied to open-enrollment charter schools by Texas Education Code § 12.1051, I respectfully request the following public information from NYOS Charter School, Inc.

This is one of a planned series of narrowly-scoped requests. Submitting them in sequence is intended to ease your office's workload and to allow rolling production of records as they are located. The records sought below are limited to the specific subject described in the Re: line.

Records sought

For the period from **July 1, 2023 through the date of NYOS's response:**

1. All written contracts, statements of work, master service agreements, and engagement letters between NYOS and any third-party vendor providing one or more of the following back-office services: accounting, controller or CFO services, payroll processing, PEIMS reporting, information-technology support, grants management, internal audit, or external (independent) audit.
2. The set of vendors covered by item 1 includes — but is not limited to — Dynamic Support Solutions (DSS), DSS Consulting Group, charterschoolsconsulting.com, Leadership4School LLC, Blazek & Vetterling, and any predecessor, successor, parent, or affiliated entity of the foregoing.
3. For each contract identified above: any RFP, RFQ, competitive-bid, or sole-source-justification document that led to the contract, together with evaluation memoranda, scoring sheets, and the names and titles of internal or external reviewers who participated in vendor selection.

4. For each contract identified above: any amendment, change order, scope expansion, fee adjustment, or renewal letter executed at any time after the original contract date.

Format and delivery

I request electronic copies of responsive records, delivered by email to the address above. Where original records exist only in physical form, electronic scans (PDF or comparable format) are acceptable.

Cost

Pursuant to Texas Government Code § 552.2615, please provide an itemized written estimate in advance of any charge that, in total, would exceed \$100.00. I am prepared to authorize production at or below that amount; above that figure, I ask to be contacted before work proceeds so that I may narrow the scope or authorize the additional cost.

Student information

This request does not seek personally identifiable student information. To the extent any responsive record incidentally contains information governed by the Family Educational Rights and Privacy Act (FERPA), please redact that information and produce the remainder.

Partial and rolling production

If any portion of this request is denied, withheld, or determined by NYOS to require an Attorney General ruling under Texas Government Code § 552.301, I respectfully ask that the remaining responsive records be produced on a rolling basis rather than the entire response being withheld pending resolution of any single category.

Acknowledgment

Please confirm receipt of this request at your earliest convenience. I understand that NYOS has 10 business days under § 552.221(d) either to produce the responsive records, certify a date by which production will occur, or seek an Attorney General ruling for any portion claimed exempt.

Thank you for your time and for the work your office does in fulfilling these requests.

Respectfully,

Mark A. Garcia
