Re: Texas Public Information Act Request — Request 7 of a series. Sponsorship and related records concerning Dynamic Support Solutions' (DSS) participation in the April 2, 2026 NYOS Charter School Golf Tournament at Morris Williams Golf Course.

Dear Public Information Officer:

Pursuant to the Texas Public Information Act, Texas Government Code Chapter 552, and as applied to open-enrollment charter schools by Texas Education Code § 12.1051, I respectfully request the following public information from NYOS Charter School, Inc.

This is one of a planned series of narrowly-scoped requests. Submitting them in sequence is intended to ease your office's workload and to allow rolling production of records as they are located. The records sought below are limited to the specific subject described in the Re: line.

Records sought

Concerning the **April 2, 2026 NYOS Charter School Golf Tournament** — “Fore' Students and Teachers” — held at Morris Williams Golf Course, and Dynamic Support Solutions' (DSS, including DSS Consulting Group, charterschoolsconsulting.com, or any DSS affiliate) participation in the event:

1. Any sponsorship agreement, in-kind donation record, or financial-transaction record between NYOS Charter School (or any affiliated booster club, foundation, parent organization, or PTO) and Dynamic Support Solutions related to the April 2, 2026 tournament.
2. Any communications (email, letter, message, or meeting note) between NYOS staff or board members and Dynamic Support Solutions regarding sponsorship of the tournament, from September 1, 2025 through the date of NYOS's response.
3. Any solicitation materials sent by NYOS (or by an affiliated booster, foundation, parent organization, or PTO) to Dynamic Support Solutions for the tournament, together with Dynamic Support Solutions' written response or sponsorship commitment.

4. Sponsorship-tier valuations and sponsorship-package pricing for the tournament, the in-kind valuation methodology applied to any non-cash contribution, and the accounting treatment of any DSS sponsorship in NYOS's books or in the books of any affiliated booster, foundation, or PTO.

Format and delivery

I request electronic copies of responsive records, delivered by email to the address above. Where original records exist only in physical form, electronic scans (PDF or comparable format) are acceptable.

Cost

Pursuant to Texas Government Code § 552.2615, please provide an itemized written estimate in advance of any charge that, in total, would exceed \$100.00. I am prepared to authorize production at or below that amount; above that figure, I ask to be contacted before work proceeds so that I may narrow the scope or authorize the additional cost.

Student information

This request does not seek personally identifiable student information. To the extent any responsive record incidentally contains information governed by the Family Educational Rights and Privacy Act (FERPA), please redact that information and produce the remainder.

Partial and rolling production

If any portion of this request is denied, withheld, or determined by NYOS to require an Attorney General ruling under Texas Government Code § 552.301, I respectfully ask that the remaining responsive records be produced on a rolling basis rather than the entire response being withheld pending resolution of any single category.

Acknowledgment

Please confirm receipt of this request at your earliest convenience. I understand that NYOS has 10 business days under § 552.221(d) either to produce the responsive records, certify a date by which production will occur, or seek an Attorney General ruling for any portion claimed exempt.

Thank you for your time and for the work your office does in fulfilling these requests.

Respectfully,

Mark A. Garcia
