Re: Texas Public Information Act Request — Request 8 of a series. The most recent independent financial audit, accompanying management letter, and management's responses for NYOS Charter School, Inc.

Dear Public Information Officer:

Pursuant to the Texas Public Information Act, Texas Government Code Chapter 552, and as applied to open-enrollment charter schools by Texas Education Code § 12.1051, I respectfully request the following public information from NYOS Charter School, Inc.

This is one of a planned series of narrowly-scoped requests. Submitting them in sequence is intended to ease your office's workload and to allow rolling production of records as they are located. The records sought below are limited to the specific subject described in the Re: line.

Records sought

1. The most recent completed independent financial audit report for NYOS Charter School, Inc., as prepared by Blazek & Vetterling or any successor independent auditor.
2. The full **management letter** (sometimes styled “letter to those charged with governance” or “communication of internal control matters”) accompanying that audit, including any internal-control deficiencies, significant deficiencies, material weaknesses, instances of noncompliance, and notes on related-party transactions.
3. NYOS management's written responses to each finding or recommendation contained in the management letter identified in item 2.
4. Any prior-year management letter whose findings remained open or were only partially addressed at the time of the most recent audit, together with the most recent written status update on each such finding.

Format and delivery

I request electronic copies of responsive records, delivered by email to the address above. Where original records exist only in physical form, electronic scans (PDF or comparable format) are acceptable.

Cost

Pursuant to Texas Government Code § 552.2615, please provide an itemized written estimate in advance of any charge that, in total, would exceed \$100.00. I am prepared to authorize production at or below that amount; above that figure, I ask to be contacted before work proceeds so that I may narrow the scope or authorize the additional cost.

Student information

This request does not seek personally identifiable student information. To the extent any responsive record incidentally contains information governed by the Family Educational Rights and Privacy Act (FERPA), please redact that information and produce the remainder.

Partial and rolling production

If any portion of this request is denied, withheld, or determined by NYOS to require an Attorney General ruling under Texas Government Code § 552.301, I respectfully ask that the remaining responsive records be produced on a rolling basis rather than the entire response being withheld pending resolution of any single category.

Acknowledgment

Please confirm receipt of this request at your earliest convenience. I understand that NYOS has 10 business days under § 552.221(d) either to produce the responsive records, certify a date by which production will occur, or seek an Attorney General ruling for any portion claimed exempt.

Thank you for your time and for the work your office does in fulfilling these requests.

Respectfully,

Mark A. Garcia
